

***United Pet Care Announces Partnership with Destination Pet's "Yourgi Pack" pet health network to offer savings to UPC members.***

**June 3, 2024 (Phoenix, AZ)** - United Pet Care ("UPC"), with its world-class employee pet healthcare benefits, has partnered with Destination Pet to offer savings for UPC members on Destination Pet's network of pet services.

Destination Pet's mission is to elevate the love and lives of pet families by redefining the standard of total pet health care. They offer a complete spectrum of services through their "Yourgi Pack," a nation-wide network of more than 180 pet care facilities and 1,200 pet care professionals. They deliver high-quality care for pets and enhance the customer experience for pet parents across the US. With a long-term vision in mind, their focus remains on building and growing a world-class team of pet care professionals to enrich pets' lives.

Jennifer Strickland Fowler, CEO of Destination Pet, expressed her enthusiasm for the partnership, stating, "We are delighted to welcome United Pet Care and their members into the Destination Pet pack. This collaboration marks an exciting opportunity. With our shared commitment to quality pet health care and client satisfaction, our aligned vision and values, and our obsession for pets, we will drive meaningful impact and continue to further our mission of elevating the love and lives of pet families."

Aaron Oaks, Chief Executive Officer of United Pet Care, adds, "UPC's mission is to make world-class pet care affordable for our members. Our partnership with Destination Pet opens a new frontier of savings for our members with their wide array of pet services. We are confident that Destination Pet's total pet health approach and highly engaged team of professionals will provide our members' pets with the highest standard of care. UPC is excited to continue our growth with Destination Pet as a strategic partner."
